What is covered?

Namsung America Inc. agrees, at our option, during the warranty period, to repair any defect in material or workmanship for a period of one year from the date of the original purchase.

What to do?

• Consult the dealer or an experienced radio/TV technician for help.
• Increase the separation between the equipment and receiver.
• Reorient or relocate the receiving antenna.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Disconnect other appliances and devices and see if they are causing the interference.
